ABOUT

Senior Product Designer in B2B/B2C SaaS, turning complex challenges into measurable impact — thinking in systems, owning work end-to-end, staying open to feedback, and moving fast without trading away quality.

EXPERIENCE

Wix / Senior Product Designer

Website creation and business platform.

April 2025 - June 2026

- **Mobile Design System** - Maintained and contributed to the design system, authored component guidelines, and led research and design reviews. Worked closely with developers and designers to ensure consistency and scalability across teams.
- **AI-Driven Delivery** - Leveraged Claude Code and Wix skills to author data-driven, research-backed guidelines, and submitted PRs directly to development.
- **Wixel App (side project)** - Designed the end-to-end user flow for a key feature.

Finaloop / Senior Product Designer

Automated bookkeeping for e-commerce businesses.

Oct 2024 - April 2025

- **Complex system design** - Designed end-to-end flows for a complex financial platform, owning features from discovery to hand-off.
- **Process Implementation** - Introduced design workflows that improved cross-functional collaboration and team efficiency.
- **Feature Design** - Simplified key bookkeeping tasks and improved core UI for usability and consistency, helping users manage their finances and save time.

Melio / Product Designer

Account payable tool designed for small businesses.

2021 - 2024

- **Mobile Web** - Redesigned the mobile experience, lifting conversion from 6% to 14%.
- **Design System** - Initiated and led a scalable design system adopted across 8 teams and leveraged as a standalone product.

2020 - 2021

Led design team and brand identity (+7% conversions) during the company's growth from \$5M to \$4B.

Firma. Global Branding / Senior UI Designer

2018 - 2020

Led projects from concept to delivery, working with developers and UX team on web, app, and mobile designs, and managing digital branding and style guide.

Earlier/ Senior Graphic Designer & Art Director

2011 - 2018

Café Café Group In-House Studio, Yotam Bezalel Studio, Promarket (Coca-Cola / CBC) & Blanco Agency — brand, packaging, and advertising design.
